

2019 Quilting on the Red - Challenge

We are happy to announce the 2019 Quilt Show Challenge. Stripes! Use your imagination, you can use striped fabric or even make up your own stripes. This challenge is based off a new book by quilt pattern designer, Pam Goecke Dinndorf, Parallel Lines. You do not need to use one of her quilt patterns, but we do hope you'll be inspired by her wonderful quilts! Quilts may be of any size.

Pam, from Aardvark Quilts and the St. Cloud area, will be presenting a lecture at the quilt show and has graciously offered to select a “Guest Presenter’s Choice” award from the quilt entries in this special exhibit! So, start thinking “STRIPES”. You’ve got lots of time to plan and put this together for the show on Friday and Saturday, October 25 & 26, 2019.

Thanks for your support!

Contact Courtney R-M. or Kim J. with any questions.
