

The background of the entire page is decorated with various autumn-themed illustrations. There are several large, stylized leaves in shades of yellow, orange, and red. Interspersed among the leaves are dark brown, curved branches. One branch in the upper right has small green and yellow leaves. Another branch in the lower left has orange and yellow leaves. A single red maple leaf is on the left side. In the bottom right corner, there is a QR code. The main title is centered and reads "Ginger & Spice Quilts & Coffee Trunk Show".
